

# OPEN WATER SCUBA DIVING CLASS 2022

## ARE YOU READY TO BECOME A CONFIDENT SCUBA DIVER?

Did you know that in many cases the Open Water Diver program can be eligible for partial training reimbursement, college credit and as an entry level job requirement?

Some restrictions apply and your craft must meet the 478 requirements. Please call Adriane Bennett at the IATSE 478 office at 504-486-2192. Additionally, depending on your tax structure, investments in your career may also be tax deductible!

### Course Details

#### What you earn:

Once you have completed all of the requirements, you will earn a life time certification as an Open Water SCUBA Diver. This 60ft certification will allow you to continue through the other levels of recreational diving and specialties such as:

**Advanced Open Water Diver, Search and Recovery, Photography and more!**

#### How to sign up:

Real simple! If you are IATSE 478, call and LET THEM KNOW YOU WANT IN!!

**Everyone else** - Go to [diveandrescue.org](http://diveandrescue.org), pay your deposit to receive your books - Print out and complete the medical questionnaire & bring to class with you

Once you have your books, complete the 5 easy chapter Knowledge Reviews. Those will need to be completed prior to class and turned in during class.

The entire process usually takes 4 days- 1 classroom day, 1 pool day and four dives over two days.

You will need to have your personal equipment which can be purchased the day of class at our shop.

### Price and what it includes:

PADI Dive Book, Dive table, log book, photo certification card, student information folder, Classroom and Pool rental, SCUBA equipment rental 3 days, entrance and dive fees for two days, two tank refills, instructor fees and all taxes.

One payment or broken up over time,  
\$949.00

Fees do not include: Personal equipment at appx \$175.00 (mask, snorkel, fins, boots, weights/belt) and we highly recommend renting a wet suit from the location we dive at (\$14.00/day) Show us your 478 card and get an additional 15% off your personal equipment (total of 25% off retail)

Payment for class does not guarantee certification, only guarantees we'll keep working with you until you're ready!

WE WORK IN PRODUCTION and our instructor is a 478 member, working both as a Set Medic and Water Safety. We understand the scheduling difficulties and will work with you to get it done!\*

15% DISCOUNT ON GEAR ONLY APPLIES TO LOCAL 478! Sorry gotta support the brothers and sisters here locally.

\$150.00 gets your books, materials and reserves your classroom session!
